### SUMMARY

Enthusiastic and driven software engineering student with a strong interest in UI/UX design, web development, and software testing. Adept at creating intuitive and user-friendly interfaces, developing responsive web applications, and ensuring software quality through rigorous testing methodologies. Eager to apply technical skills and innovative thinking to contribute to dynamic projects and enhance user experiences.

### SKILLS

#### TECHNICAL SKILLS

- LANGUAGES : C++ , JAVA , HTML , CSS
- IT CONSTRUCTS : UI/UX , OOPS , DSA DBMS , API TESTING.
- TOOLS : VS CODE , FIGMA , POSTMAN , SELENIUM , JIRA .

### EDUCATION

#### RIPHAH UNIVERSITY

Islamabad

2022 - 2026

### WORKING EXPERIENCE

#### QUALITY ASSURANCE INTERNSHIP

Telenor Microfinance Bank | June 2024 - August 2024 (EasyPaisha)

- During my internship at EasyPaisha , I contributed to ensuring high software quality by developing and executing test plans, identifying and documenting bugs, and supporting test automation efforts. I was involved in both manual and automated testing of financial applications, using tools like JIRA, Selenium, and Postman. My role included preparing detailed test reports, collaborating with development teams to resolve issues, and performing performance testing to enhance application stability and performance.

#### UI/UX

E-Commerce Platform Redesign

Sept 2023 - Oct 2023

- Project Overview: Revamped the user interface of a popular e-commerce platform to enhance user experience and increase conversion rates.
